

7300 SERIES BENCH WEIGHING SCALES

An adjustable Wall/Desk remote display, with or without function keys, can be added at any time to a 7000 series scale.

The optional flush mount display has an attractive stainless steel bezel ideal for counter or in-wall mounting.

With or without function keys, the mini tower remote display provides a customer display for point of purchase, retail shipping, or applications where large or bulky items are weighed.

7300
